

Conference Tallinn: Are you present or presenter?

In **October 2021**, the conference series of the **German-Baltic Youth Office** will enter its final round! At the conference in **Tallinn**, the Youth Ambassadors will have the opportunity to ask today's EU decision-makers questions about the future.

For this big event, in which the exchange and the coming together of young people is in the fore, **we are looking for four presenters**, who can lead intensive discussions confidently.

The conferences target group are young Europeans aged 16 to 30 years from Estonia, Latvia, Lithuania and Germany, who, together **with experts**, will deal with four questions of the future.

We are looking for **one presenter** for each of our four clusters. Please communicate your preference within your application.
