## Knut André Sande will take you on a trip to Norway

27 April - 19:00 h - Zoom - registration for free

Knut André Sande is a truly European Norwegian. He is 25 years old and currently living as a law student in Oslo. He was active for several years in the Norwegian pro-European youth association "Europeisk Ungdom", which campaigns for a united Europe. At the moment he is board member of their European organization, JEF Europe.

Norway is not a member of the European Union. Norwegians rejected accession in 1972 and 1994 in referendums. Nevertheless, the country is very closely linked to the EU not only because of its geographical location, but also through its membership in of the European Free Trade Association (EFTA), and its participation in the Schengen area.

Knut's main focus will be the relationship between EU and Norway. How is the relationship between Norway and the EU developing? Should Norway become an EU member after all?

Besides that, Knut will give us some insights about the "Norwegian Way of Life" and the country's peculiarities. He will provide us with a Norwegian "starter pack" – how to survive and succeed in Norway as an EU citizen.

The presentation of Norway will be in English. Questions from online guests are welcome. Free registration takes place online at [www.mein-europa.eu](http://www.mein-europa.eu). The access data will then be sent immediately by e-mail.

The series of events is free of charge and is organized by a large network. AEGEE Aachen, Institut Français Aachen, JEF NRW, Karlspreisstiftung, Karlspreis Academy, and the EUROPE DIRECT centres Ostbelgien, Kreis Gütersloh, Dortmund, Duisburg, Essen und Aachen are participating.

The events always take place on the fourth Wednesday of each month - in English or in German language. They will be recorded and shown on [YouTube](https://www.youtube.com).
