INVITATION TO THE GBYEN MEETING 2023 IN LÜNEBURG!

Dear friends and partners,

We are delighted to inform you that the German-Baltic Youth Exchange Network is organizing a network meeting from the **27. - 30. April in Lüneburg**.

As of this year, we have the vast topic "**Sustainable communication and media usage in international youth work**". To tackle this issue from different angles, we put together three themes:

1. *How to develop a catch-all image as a youth organization?*
2. *Media usage as a youth organization*
3. *Cybersecurity and Data protection as a youth organization*

At the GBYEN Meeting in Lüneburg, we will introduce you to all the themes, and you will have the chance to work on one of the themes further in smaller groups. With the help of your input, we will get a glimpse of what we could talk about at the German-Baltic Conference. Therefore, the goal of the GBYEN Meeting is to have a preliminary program for our conference, put together by your ideas and wishes.

Participation in the entire program, boarding, and lodging will be covered, while the German-Baltic Youth Exchange Network can **compensate for travel expenses** for up to 200€ for the Baltic states and 100€ for Germany.

Apart from being productive, we would also like to invite you to the dance floor at the **German-Baltic Ball in Hamburg**.

To get more information on our meeting, please look at our **information package in the attachment**. We very much hope to welcome you to Lüneburg. For registration, please fill out the following questionnaire: <https://forms.gle/rbWMfiAybetKGp8b8>.

If you have any questions, please don't hesitate to ask us.

Kind regards,

Lisann Rothe
